

NURSERY RHYMES

TINY TALES

TO

TINY TOTS

By Anne

ANOTHER DAY

The sun woke up
And shines on the day
Another day
To laugh and play
Another day
To nap and eat
Another day
That can't be beat.

BRAND NEW DAY

It's good to wake up in the morning
To a brand new day
If it is sunny or if it is raining
We can always laugh and play
Sometimes we go to camp or school
But either way
It's good to wake up in the morning
To a brand new day.

HOT CHOCOLATE

Good morning, good morning

It's good to be up

And drink hot chocolate

From a great big cup.

BOW WOW

"Bow wow," says the doggie

As he barks at me

"Meow," says the kitten

As she climbs up a tree

"Squeak," says the mouse

As she runs in her house

And "buzz, buzz, buzz," says the
bumble bee.

SWISH, SWISH

“Swish, swish,” says the rain

As it falls from the sky

“Woo, woo,” says the wind

As it keeps blowing by

“Splash, splash,” say the puddles

As we walk on our way

And we have to play inside

On this rainy, rainy day.

THE WHITE CLOUDS

The white clouds float

In the blue, blue sky

The yellow sun smiles

At the trees so high

The flowers laugh

As they sway in the breeze

And you and I play

As much as we please.

DEAR SISTER

Dear sister, dear sister

I love you; I do

Dear sister, dear sister

Let's play, me and you

Dear sister, dear sister

With dolls we can play

Dear sister, dear sister

We play everyday.

THE BUS

Let's go ride on the bus

And let's not make a fuss

Cause the bus goes bumpity-bumpity-bop

Until we get off at the right stop

Bumpity-bumpity-bumpity-bop

Bumpity-bumpity-bumpity-bop

Bumpity-bumpity-bumpity-bop

Until we get off at the right stop.

NAP TIME

Time for our nappy
It's nap time again
Off to bed we go
Time for our nappy
To sleep and to dream
Nap time is nice we know
Time for our nappy
And then we wake up
And off to playing we go.

I WANT

I want an apple
A crunchy red apple
I want an apple to eat
I want a cookie
A chocolate cookie
A cookie is a big treat
I want milk
Chocolate milk
I want milk to drink
But before we eat
And before we drink
We wash our hands in the sink.

SCHOOL

I go to school
To school today
Time to learn
Time to play
I like school
You do too
School is fun
For me and you.

CAMP

We go to camp
It's summer fun
We play and swim
And laugh and run
We see the birds
We see the flowers
And we play ball
For hours and hours.

SNOW

The snow comes down

It's wet and white

The snow it is

Winter delight

We play in the snow

We play in the cold

All bundled up

Just as we're told.

DOLLY

What do you say

To a dolly who will not play

"Dolly if you don't want to play

Take a rest

We'll play another day."

BUNNY

I saw a bunny

Go hop-hop-hop

I saw a froggy

Go hop-hop-hop

I saw a birdy

Go hop-hop-hop

Bunny, froggy, birdy

Won't you stop-stop-stop?

PEEP-PEEP

Peep-peep say baby birdies

To big mommy bird

Peep-peep say baby birdies

That's all that she heard

Peep-peep say baby birdies

Each and everyday

Peep-peep I want to eat

Peep-peep I want to play.

HAPPY

What a happy, happy day

Time to laugh

Time to play

Time to nap

Time to eat

And that makes

Our day complete.

PUDDLES

Look at all the puddles

When it's raining out

Let's splash in the puddles

While we laugh and shout

We are having fun

I and all of you

Do Mommy and Daddy

Like to splash in puddles too?

SCHOOL DAY

School, school

I love it so

So much to learn

So much to know

School, school

My friends are there too

We're all there together

Til the school day is through.

GRANDMA AND GRANDPA

Grandma and Grandpa

Are coming today

They're lots of fun

They love to play

They walk with me

They talk with me

They know so much

About all that we see

Grandma and Grandpa

They are the best

We play with my toys

From my toy chest.

THE CAT AND THE FIDDLE

Where are the cat and the fiddle?

Where are the dish and the spoon?

Where is the dog who laughed so loud

When the cow jumped over the moon?

SPLASH, SPLASH

Splash, splash

In the bath

In the bath we play

Quack, quack

Says rubber ducky

Quack, quack

Rubber ducky will say.

BEEP, BEEP

Beep, beep

We're in the car

We go near

We go far

Beep, beep

Wherever we are

We are always

In the car.

COOKIE

We like a cookie

Munch, munch, munch

We like a cookie

Crunch, crunch, crunch

We like a cookie

After lunch, lunch, lunch.

BOOK

Please read me a book

And please let me look

At all the pictures

Of the animals, trees and brook.

MOMMY AND DADDY

Mommy and Daddy

I love you. I do

Want to hug you and kiss you

The whole day through.

COUSINS

When my cousins come over

We'll play and we'll play

We'll have lots of fun

For the whole day.

THE MOON

The moon she floats

Among the stars

And among the stars

Are Venus and Mars

Venus and Mars

And other planets too

All up in the sky

And looking down upon you.

SLEEP

Now it's time to go to sleep

We've had a day of fun

The sooner that we go to sleep

The sooner morning will come.

DREAMLAND

Good night

Good night

I will sleep tight

And go off to dreamland

A beautiful sight.

The End
